## Tariff Format

- A. **Page Numbering** - Page numbers appear in the left corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 13 and 14 would be 13.1.
- B. **Page Revision Numbers** - Page Revision Numbers also appear in the upper left corner of each page. These numbers are used to determine the most current page version on file with the Commission. Consult the check sheet for the page currently in effect.
- C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2.1  
2.1.1  
2.1.1.A  
2.1.1.A.1

1. Definitions/Technical Terms

Certain terms used generally throughout this tariff are defined below:

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person or entity that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services. An Aggregator is also both an Authorized User and a Customer.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the service user so that the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity which accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

1. Definitions/Technical Terms(Cont'd)

Billed Party - The person or entity responsible for payment for use of the Company's services. For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call. In the case of a credit card call, the person or entity responsible for payment is the person to whom it is issued and the holder of the credit card used. In the case of third party call, the person or entity responsible for payment is the person responsible for payment for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the call. In the case of all Operator Assisted Calls not involving credit cards, third party calls or Room Charge Calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call.

Busy Line Interruption - A service that provides operator interruption of voice conversation in progress on a called line.

Busy Line Verification - A service that provides operator assistance in determining if a called line is in use.

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - A path for electrical transmission between two or more points, the path having a band width designed to carry voice grade transmission.

Common Carrier - A company or entity providing telecommunications to the public.

Credit Card Call - A Direct Dialed or Operator Assisted Call for which charges are billed not to the originating telephone number, but to a credit card, such as Visa or MasterCard, or to a LEC or interexchange carrier calling card.

1. Definitions/Technical Terms(Cont'd)

Customer - The person, partnership, association, joint stock company, trust, corporation, governmental entity or other entity, that is responsible for payment of charges and for compliance with this tariff.

Customer - Provided Facilities - All communications facilities provided by the Customer and/or Authorized User other than those provided by the Company.

Day - Time category for calling/billing purposes. Day is categorized as 8:00 am to (but not including) 5:00 pm.

Evening - Time category for calling/billing purposes. Evening is categorized as 5:00 pm to (but not including) 11:00 pm.

Exchange - A unit established by the Local Exchange Carrier for the administration of communications service in a specified area which usually embraces a city, town or village and its environments. It consists of one or more Central Offices together with the associated facilities used in furnishing communications service within that area.

Direct Dialed Call - A telephone call which is automatically completed and billed to the telephone number from which the call originated without the automatic or live assistance of an operator. This includes calls forwarded by call forwarding equipment.

Holidays - Time category for calling/billing purposes. Calls during holidays listed in 4.1.2 will be billed at evening rates unless a lower rate period is in effect.

Local Exchange Carrier (LEC) - A telephone company which provides local telephone service to Customers within a defined exchange.

1. Definitions/Technical Terms(Cont'd)

Long Distance Message Telecommunications Service - The furnishing of direct dialed and operator assisted switched services to the Customer for the completion of long distance voice and dial-up low speed data transmissions over voice grade channels from the Company's Points of Presence to points as specified herein.

Night/Weekend - Time category for calling/billing purposes. Night is categorized as 8:00 am to (but not including) 5:00 pm. Weekend is beginning at 8:00 am on Saturdays and ending 5:00 pm on Sundays. The rates for nights and weekends are the same.

Operator Assisted Call - A telephone connection completed through the use of the Company's Operator Services.

Operator Services - Any telecommunication service initiated from a Customer location that includes, as a component, any automatic or live assistance to a Customer or its Authorized User to arrange for billing or completion, or both, of a telephone call through a method other than:

- (i) automatic completion with billing to the telephone from which the call originated; or
- (ii) completion through an access code used by an Authorized User, with billing to an account previously established with a carrier by the Authorized User.

Operator Station Calls - An Operator Assisted Call wherein the person originating the call is assisted by an operator but does not specify a particular person, department or extension to be reached.

1. Definitions/Technical Terms(Cont'd)

Other Common Carrier - A common carrier, other than the Company, providing domestic or international communications service to the public.

Payphone Surcharge - A surcharge that applies to completed intrastate, interstate and international long distance calls placed from any domestic payphone used to access the Company's services. This includes calling card service, toll-free service, and prepaid calling card service. The Payphone Surcharge is in addition to any other applicable service charges or surcharges. The Payphone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for the service by inserting coins during the progress of the call.

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers which allow calls to be categorized for various applications.

Person-to-Person Calls - An Operator Assisted Call which is placed under the stipulation that the caller will speak only to a specific called party or to a specified extension or office. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all calls will be treated as Operator Station Calls.

Points of Presence - The sites where the Company provides a network interface with facilities provided by Other Common Carriers, Local Exchange Carriers or Customers for access to the Company's network.

Premises - A building or buildings on contiguous property (except railroad rights-of-way, etc.) not separated by a public street or highway.

Room Charge Call - A call placed with the assistance of an operator, for which charges are collected by an Aggregator (normally a hotel, motel or hospital) from the guest or occupant of the room from which the call originated. A call of this type requires that the Company communicate the call detail and charges back to the originating location following completion of the call. This service is provided only where authorized by the Aggregator.

2. Rules and Regulations

2.1 Service Description

Intrastate Long Distance Message Telecommunications Service ("LDMTS") is offered to residential and business Customers of the Company to provide direct dialed and operator assisted calls placed between points in the State of Florida. The Company provides switched long distance network services for voice grade and low speed dial-up data transmission services. The Company does not undertake to transmit messages but furnishes the use of its services to its Customers for communications. All services are provided subject to the terms and conditions set out in this tariff.

2.2 Interconnection with Other Common Carriers

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services concurrently with its own services for the provision of services offered herein.

2.3 Availability of Services

2.3.1 Services are furnished subject to the availability of the Service components required. The Company will: (1) determine which of those components shall be used and (2) make modifications to those components at its option.

2.3.2 Services are available twenty-four hours per day, seven days per week.

2. Rules and Regulations (Cont'd)

2.4 Use of Services

2.4.1 The Company's Services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of the Services. All such usage shall be subject to the provisions of this tariff and the applicable rules, regulations and policies of the Florida Public Service Commission. Customers and Authorized Users are prohibited from using, and by their acceptance or use of Service agree not to use, the Services furnished by the Company for any unlawful purpose or for any purpose prohibited under the provisions of any regulatory order.

2.4.2 The use of the Company's Services to make calls which might reasonably be expected to frighten, abuse, torment or harass another, or in such a way as to unreasonably interfere with use by others, is prohibited.

2.4.3 The use of the Company's Services without payment for Service, and all attempts to avoid payment for Service by, for example, fraudulent means or devices, schemes, false or invalid numbers or false calling or credit cards, are prohibited.

2.5 Undertaking of the Company

2.5.1 The Company undertakes to provide Intrastate Long Distance Message Telecommunications Service in accordance with the terms and conditions set forth in this tariff.

2. Rules and Regulations (Cont'd)

2.10 Responsibilities of Aggregators (Cont'd)

2.10.5 The Company shall withhold payment (on a location-by-location basis) of any compensation, including commissions, to Aggregators if the Company reasonably believes that the Aggregator (i) is blocking access by means of "950" or "800" and other similar applicable access numbers to common carriers in violation of The Telephone Consumer Protection Act of 1990; or (ii) is blocking access to equal access codes in violation of rules established by the Corporation Commission.

2.11 Cancellation or Interruption of Services

2.11.1. Without incurring liability, the Company may discontinue Services to a Customer or to a particular Customer location, or may withhold the provision of ordered or contracted Services under the following conditions:

- (a) For nonpayment of any sum due the Company for more than thirty days after issuance of the bill for the amount due;
- (b) For violation of any of the provisions of this tariff
- (c) For violation of any law, rule, regulation, or policy of any governing authority having jurisdiction over the Company's Services; or
- (d) By reason of any order or decision of a court having competent jurisdiction, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its Services.

2. Rules and Regulations (Cont'd)

2.11 Cancellation or Interruption of Services (Cont'd)

2.11.2 Without incurring liability, the Company may interrupt the provision of Services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of the Customer's and/or the Company's equipment and facilities, and may continue such interruption until any items of noncompliance or improper equipment operation so identified are rectified.

2.11.3. Service may be discontinued by the Company, without notice to the Customer, by blocking traffic to certain points, or by blocking calls using certain Customer Authorization Codes, when the Company deems it necessary to take action to prevent unlawful use of its Service. The Company may restore service as soon as it can be provided without undue risk.

2.11.4 If, for any reason, Service is interrupted, the Customer will be charged only for the Service that was actually used.

2.11.5 For purposes of credit computation, every month shall be considered 720 hours. No credit shall be allowed for an interruption of less than two hours.

2.11.6 The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues. For example:

Credit Formula: =  $A / 720 \times B$

A = outage time in hours

B = total monthly charge for affected facility

2. Rules and Regulations (Cont'd)

2.12 Calculation of Distance

All measured usage charges are based on the airline distance between rate centers associated with the originating and terminating points of the call. The method for calculation is the same as that used by AT&T and that respective tariff.

2.12.1 Formula for Distance Calculation

The formula used by AT&T for distance calculation utilizes the V & H Coordinate method. To clarify, this formula is given below along with an example:

FORMULA:

$$\sqrt{\frac{(V1-V2)^2 + (H1-H2)^2}{10}}$$

EXAMPLE: Distance between Miami and New York

	<u>V</u>	<u>H</u>
Miami	8,354	546
New York	<u>7,871</u>	<u>1,720</u>
Difference	483	- 1,174

Square and add: 233,289 + 1,378,276 = 1,611,565  
Divide by 10 and round: 1,611,565 / 10 = 161,157

Take square root and round:  $\sqrt{161,157}$  = 402 miles

3. Payment and Credit Regulations

3.2 Payment for Service (Cont'd)

3.2.3 For Room Charge Calls, when requested by the Authorized User, and authorized by the Aggregator, the charges will be provided to the Aggregator for inclusion on the hotel, motel, or hospital bill of the Authorized User. In such cases, the Company will provide call detail and charges to the hotel, motel, or hospital for such billing purposes. The Aggregator is solely responsible for the collection of Room Charges from its guests, and remains liable to the Company for all Room Charge Calls regardless of whether such charges are collected from the Authorized User.

3.2.4 All state and local taxes are listed as separate line items and are not included in the quoted rates on the Customer's bill. Any applicable federal, state and local use, excise, sales or privilege taxes or similar liabilities chargeable to or against the Company as a result of the provision of the Company's services hereunder to Customer shall be charged to and payable by Customer in addition to the rates indicated in this tariff.

3.2.5 At this time, no employee concessions will be offered.

3.2.6 The Customer shall remit payment of all charges in the return envelope supplied with the bill or to any agency authorized by the Company to receive such payment.

3.2.6 If the bill is not paid within thirty (30) calendar days following the mailing of the bill, the account will be considered delinquent.

3. Payment and Credit Regulations (Cont'd)

3.2 Payment for Service (Cont'd)

3.2.7 A delinquent account may subject the Customer's Service to temporary disconnection. The Company is responsible for notifying the Customer at least five (5) days before Service is disconnected. Interest charges of 1.5% per month may be assessed on unpaid balances more than thirty (30) days old.

3.2.8 Failure to receive a bill will not exempt a Customer from prompt payment of any sum or sums due the Company.

3.2.9 In the event the Company must employ the services of attorneys for collection of charges due under this tariff or under any contract for special services, Customer shall be liable for all costs of collection, including reasonable attorney's fees.

3.2.10 A return check charge of \$20.00 or 5% of the amount of the check (whichever is greater), will be assessed for checks returned for insufficient funds.

3.2.11 A reconnection fee of \$25.00 per occurrence is charged when service is re-established for customers who had been disconnected for non-payment.

3.4 Billing Entity Conditions

When billing functions on behalf of the Company are performed by local exchange telephone companies, credit card companies or others, the payment conditions and regulations of such companies apply, including any applicable interest and/or late payment charges. In the case of any disputed charges which cannot be resolved by the billing company, the Billed Party may contact the Company directly. If there is still a disagreement about the disputed amount after investigation and review by the Company or other service provider, the Billed Party may file an appropriate complaint with the Florida Public Service Commission.

3.5 Denial of Access to Service by the Company

The Company expressly retains the right to immediately deny access to its Services without incurring any liability for any of the following reasons:

- (a) Nonpayment of any sum due for service provided hereunder, where Customer's charges remain unpaid more than ten (10) days following notice of nonpayment from the Company. Notice shall be deemed to be effective upon mailing of written notice, postage prepaid, to Customer's last known address;

3.5 Denial of Access to Service by the Company (Cont'd)

- (b) Customer's acts or omissions which constitute a violation of, or a failure to comply with, any regulation stated in this tariff governing the furnishing of service, but which violation or failure to comply does not constitute a material breach or does not pose any actual or threatened interference to the Company's operations or its furnishing of services. The Company agrees to give Customer ten (10) days notice of such violation or failure to comply prior to service; or
- (c) The implementation of any order of a court of competent jurisdiction, or federal or state regulatory authority of competent jurisdiction, prohibiting the Company from furnishing such service; or
- (d) Where Customer has failed or neglected to tender any additional or required security deposit within ten (10) days of demand by the Company. However, at this time, Company does not require a deposit from Customers.

3.6 Customer's Liability in the Event of Denial of Access to Service by the Company

In the event Customer's service is disconnected by the Company for any of the reasons stated in Section 3.5, Customer shall be liable for all unpaid charges due and owing to the Company associated with the service. Customer's deposit and accrued interest shall be applied to all cancellation charges applicable to the service offering received by Customer.

## 4.2.20 Current Direct Dialed LDMTS Rates – Option 19 (Default Plan A)

The following intrastate rate is designed for residential customers of outbound intrastate LDMTS. This rate is applicable for all times for calls made within the State of Florida where technically available.

Rate per Minute: \$.10

Calling card calls will be billed at \$.35 per minute with no surcharge.

Customers will automatically be placed on this plan if they do not specifically request any other LDMTS rate plan.

This option is only available to existing customers at existing locations.

## 4.2.21 Current Direct Dialed LDMTS Rates – Option 20 (Unlimited Bundle Plan)

The following intrastate unlimited plan is designed only for residential customers who subscribe to certain other ALLTEL bundled services. Customers are also required to subscribe to an ALLTEL unlimited interstate plan, in order to be eligible for this plan. This plan is for direct dialed one-plus residential voice use only and cannot be used for long distance Internet access, telemarketing or auto-dialed calling. Customer lines associated with educational institutions (colleges, universities, etc.) are not eligible for this plan. This plan does not include multi-party conference calls, calls to 900 numbers, directory assistance, operator services, collect calls, international calling and toll-free calling services. The per minute rate for ALLTEL calling card calls under this plan will be as stated below. Taxes, fees and other charges, including the Universal Service Fund fee, apply.

If the Company determines that usage is not consistent with typical residential voice service, includes excessive usage or usage predominantly during business hours the Company may immediately restrict use or change the customer's long distance plan to the Dime All the Time Plan. If a customer disconnects the minimum required components for the bundled service plans, the customer's account will be converted to The Dime All the Time Plan.

ALLTEL reserves the right to cancel or discontinue this plan at any time.

Monthly Fee, Unlimited Calling:	\$20.00
Calling Card Calls, Rate Per Minute (No Surcharge)	\$0.35

This plan is limited to a maximum of two residential lines.

**INTRASTATE LONG DISTANCE MESSAGE TELECOMMUNICATIONS SERVICE**5. Specialized Services, Rates and Regulations (Cont'd)5.2 Business One

ALLTEL Communication's Business One is a commercial offering for single or multi-location customers using switched or dedicated services on an inbound and/or outbound basis. Special calling card services are also available with this offering. Business One subscribers may utilize the service according to specific contract terms and conditions as described in Section 5.2.1, Section 5.2.3, Section 5.2.4 and Section 5.2.5 for intrastate service.

## 5.2.1 Contract Terms and Rates - Plan 1

Customers may select a month-to-month plan, a 1 year \$50 monthly plan, or a year \$1,000 monthly plan. A Business One Customer selecting a 1 year term must commit to a minimum monthly usage as depicted in Section 5.2.1.A. This minimum usage threshold applies to every monthly billing period during the selected term, and must be paid regardless of the Customer's amount of usage during other billing periods. Customers selecting a 1 year term may change plans or terminate the service if Customer provides written notice within ninety (90) days of the initiation of service. The Customer shall be held responsible for the value of the contract beyond this ninety (90) day threshold. The following chart lists the contract term length and associated per minute rates and surcharges. The per minute rates listed below are flat rates effective at all times of day. This plan is only available to customers that currently subscribe to this service at their current location.

## 5.2.1.B Nonrecurring Installation of Service Charges for Dedicated Services

1. Installation Postponement Charge

The confirmed due date for installation of service may be postponed by the customer according to the following guidelines.

- Customers will be allowed up to three changes from the original confirmed due date. The sum of the change requests cannot exceed 30 calendar days from the original requested due date.
- Any request to postpone the due date 30 calendar days beyond the originally scheduled due date will result in the order being cancelled. Standard cancellation fees will be applied and a new order request will need to be submitted.
- Customers may not request a due date change later than 3 days before the scheduled due date. From this time, the due date is considered firm and ALLTEL will complete the installation of the facilities as scheduled.
- Customers will be charged for each requested change to the due date. The charges will be applied on a graduated scale where the closer to the due date the higher the charge. The charges are to be applied as follows:

<b>Change Requested</b>	<b>Installation Postponement Charge</b>
10 business days before to the due date	\$100.00
Between 10 and 5 business days before the due date	\$350.00
Between 5 and 3 business days before the due date	\$850.00

2. Installation Expedite Charge

The installation of service can be expedited at customer request to decrease the circuit delivery time from the standard provisioning interval. The charge to expedite installation is a one-time fee of \$850.00.

5.2.2 Business Bundled Value Plan

The following intrastate rates will apply to business customers who purchase certain bundled service plans:

Rate per minute: \$ .12                      Monthly fee: \$5.95

In certain instances, the monthly fee above will be waived.

Calling card calls made within the continental U.S. will be billed at \$.25 per minute with no surcharge.
