Re: Petition of Withlacoochee River Electric Cooperative, Inc. to modify territorial agreement or, in the alternative, to resolve territorial dispute with Progress Energy Florida, Inc. in Hernando County; **Docket No. 040133-EU**

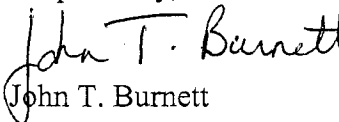

Dear Ms. Bayo:

On December 9, 2005, Progress Energy Florida, Inc. (PEF) and Withlacoochee River Electric Cooperative (WREC) filed a joint petition to approve amended and consolidated territorial agreement and to implement Phase II of settlement agreement. Please supplement the joint petition filed on December 9, 2005 with the following information:

“WREC and PEF sent 5,400 letters to the affected customers notifying them of the transfer. There were only 90 responses and of those only 29 did not wish to be transferred. Sixty-one (61) of the responses were either favorable; had questions or needed information.”

Please acknowledge your receipt of this supplemental letter as provided in the Commission’s filing procedures. Thank you for your assistance in this matter.

Respectfully,

John T. Burnett *LMS*
