**Re: Docket No. 050274-WS Staff Assisted Rate Case for Silver Fox Utility Company d/b/a Timberwood Utilities in Pasco County**

Dear Mr. Bollinger:

On November 29, 2005, the Commission voted on staff's recommendation dated November 17, 2005. A Proposed Agency Action (PAA) Order was issued on December 15, 2005. If no protests are filed by the end of the protest period, which is 21 days from the date that the PAA order is issued, the rates and charges approved by this Commission will become final. However, the utility must submit revised tariff pages for staff's approval before the utility can implement new rates.

To expedite the tariff revision process, the utility should file all revised tariff pages by January 23, 2006, to allow staff sufficient time to verify the accuracy of the revised pages. Enclosed are examples of revised tariffs for this utility. Although staff has prepared revised tariffs for this utility, it is the utility's responsibility to make sure all tariffs submitted to the Commission are complete and accurate.

A copy of the customer notice informing the utility's customers of the Commission's approved increase must also be submitted for staff's review and approval. After staff approves this notice, it must be mailed to customers of receipt prior to consumption at the increased rates. Staff has also included an example of a Commission approved customer notice.
