Re: Docket No. 050902-WS; Application for authority to transfer assets of Lake Haven Utility Associates, Ltd., d/b/a Lake Wales Utility Company and Certificate Nos. 590-W and 508-S to Gold Coast Utility Corp.

Dear Mr. Friedman:

We received a copy of a deficiency letter for the Laniger Enterprises of America, Inc. (Laniger) water system and an Administrative Order for the wastewater system sent from the Florida Department of Environmental Protection (DEP). Please provide a copy of your response to the DEP to correct the deficiencies.

The application for Gold Coast Utility Corp. indicates that the buyer has both the regulatory experience and financial wherewithal to ensure consistent compliance with environmental regulations.

In light of your problems with the Laniger, please explain.

A response to the letter and questions should be filed with the Director, Division of Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399 on or before January 31, 2006. If you have any questions please contact Richard Redemann at (850) 413-6999.

Sincerely,

Patti Daniel
