RECEIVED FISC

Dear Director,

I have a question more than a complaint or objection.

Why would this LEGAL NOTICE need to be sent out in light of the enclosed copy of a matching LEGAL NOTICE dated Sept. 20, 2002? Did the original purchase not get completed correctly? Is important paperwork missing? What is the issue with this second request? How is the name Creola, Inc. still involved in legal issues of this park?

The Board of Directors of this park has taken a stance that "it is none of your business" when asked about details of the completion of the many facets of the purchase of this park which was suppose to have been completed in the summer of 2001.

Their legal advisors/ lawyers have encouraged the officers to engage in no conversations regarding issues that affect residents of this park.

Therefore, thinking that the Application for Transfer of Wastewater Certificate No. 473-S had been completed in the Sept 20, 2002 as requested I ask: Why a second request?
