Kay,

The above amendment was filed on October 6, 2004. During the 90 day period for the above agreement, Solution Telecom, Inc.'s (TX660) certificate was transferred and name changed to Unitycom, LLC (TX812), effective 11/23/2004. I wasn't aware of the name change and transfer until a short while ago. (See Docket No. 041043-TX).

Rather than BST refiling the amendment with the new name, I would like to continue processing this with the old company name, but at the same time add the new company name/company code to the list of utilities in this docket. I'll request that BST file a new amendment at their earliest convenience which will incorporate the name change/transfer of certificate.

Is the above okay with you?
