The letter is for IXC registration which is done administratively.

Rick, we received a letter today from Denise Smith at Kelley Drye law firm in DC telling this company intends to provide facilities-based interexchange services. They say they're submitting this notification for for info purposes only because they understand fr talking with PSC staff that formal approval isn't required.

Is that true? What are they asking for? Is it IXC registration? Do you need a cy of the letter before you respond? I can fax it to you.
