We have until 9 a.m. to advise FAW bureau to pull the notice. We will go ahead with publication unless Rose is advised before 9 that the notice should not run.

FYI, if the notice runs and the prehearing is then canceled, we will need to run a cancellation notice.

Bob, I talked to Sandy Moses about the FAW notice pertaining to Docket No. 040326-TL (NEFCOM) and she informed me that Jeremy needs to call her. I also explained the situation to Jackie Schindler and she left Sandy a message telling her that she would relay the information to Jeremy when he comes in on Friday. Apparently, dockets being held in abeyance are handled a little differently where CASR and public notification are concerned. I'll get in contact with Jeremy on Friday and appraise him of the situation. I'll keep you abreast of further developments.
