There will be a docket opened to cancel IDS Telcom LLC, but the company doesn't want to combine that action with docket 050111-TP. They plan to file a separate cancellation request once this docket is closed.

Good morning! Letting you know that I have entered the "effective" date in MCD as of 2-8-05 for TJ987. I do have one question, will there be a docket opened to "cancel" the IXC registration that is currently held by IDS Telcom LLC (TJ500) or will they have to IXC registrations under both names?? (I don't see that mentioned in the new docket title.) Thanks, Nonnye

Thanks, Toni, for bringing this to my attention. What you're proposing is doable in this multi-task docket!

I do see the IXC registration was included as Exh E to the 2/8/05 filing, and was assigned a company code in MCD. Based on your e-mail, I will

1. update the title to include the IXC registration.
2. include the TJ987 company code in the docket in CMS.

3. ask Nonnye by cc: to include the effective date (2/8/05, date of filing) in MCD per our new procedure.
4. ask Kim P to update docket mailing list (IF necessary).

I believe that will take care of it, but all cc:s please let me know if I've left anything out.

Kay,

050111-TP: This filing also included an IXC registration for IDS TelCom Corp. in the Exhibits as well as the IXC waiver of the rule request. The IXC registration has been assigned a company code TJ987 in MCD without a regulation date and I noticed that TJ987 was not included in the Case Mgmt. Utilities section for the docket.

Since IXC's registrations are administrative only, I was going to process the memo for the IXC using the same docket number given it is a "TP" and change the IXC registration memo statement "Docket No. 050111-TP should be closed" to " memo should be filed in Docket No. 050111-TP.

The Docket would be closed when the Consummating Order is issued via the normal process.

Is this a workable method for CCA?

Thanks,

Toni
