The critical date for this TECO filing is 3/7/05 rather than 3/7/04, isn't it?

If so, we'll show it correctly on the agenda page.

Please let me know!

Thanks, Mary.

I went back to the archived audio/video, to review the vote in Issue 2. The Chairman asked if they should deny staff, or change, and Cochran replied that staff's recommendation would be to keep the docket open to address TECO's request [to exclude], so incorporating that information as well as your comment concerning sequence in Issue 1, the decision will now read:

DECISION: The recommendation in Issue 1 was denied. TECO's withdrawal of the June outage events from its request was acknowledged, and its modified petition for waiver was then approved. Issue 2 was modified to indicate the docket will remain open pending disposition of TECO's outage exclusion request.

Does that capture it?

Kay

Hi, Kay.

Welcome back.

I think the language of the decision is still misleading. On Issue 1, the Commissioners denied staff and voted to approve the petition for waiver "after" TECO withdrew the June outage events from the petition. The recommendation in Issue 2 was approved, not denied. Perhaps you could say:

"The recommendation in Issue 1 was denied; TECO's petition for rule waiver was granted after TECO verbally withdrew the June outage events from its petition. The recommendation in Issue 2 was approved."

Mary, thanks for reviewing these minutes. Per your notation, I've added "TECO's petition for waiver was granted" to the decision reflected for Item 12 (Docket 041375-EI), so the decision now reads:

DECISION: The recommendations were denied; TECO's petition for waiver was granted. Additionally, TECO's withdrawal of the June outage events from its petition was acknowledged.

Thanks.
