They have filed the tariff sheets with ECR and there is nothing left to do -- so ECR told me to just close the docket in the consummating order -- I see no need for an amendment -- got the closing straight from ECR.

Ralph, a consummating order was issued in this docket today and it indicates the docket is to be closed. However, Order PSC-05-0858-TRF-WU stated that the docket shall remain open for 30 days from the issuance date of the CO to allow the utility time to file the revised tariff sheet. I checked CMS and did not see any indication that the company has filed the revised tariff sheet. If that is the case, we'll need an amendatory order to correct the CO.

Order number will be:

PSC-05-0915A-CO-WU.

Thanks!
