Subject: Docket 050520

Paula, we received a memo for Docket 050520 acknowledging the cancellation of the company's IXC registration and stating that the docket should be closed. We will treat the memo as a filing completing IXC portion of the docket. However, a PAA order dealing with CLEC portion of the docket was just issued yesterday and we will have to wait for the issuance of the consummating order to close the docket. So, we will go ahead and strike out the sentence about the closing of the docket.

Thanks!
