Re: Proposed Settlement for Docket No. 050787-TI for DG-TEC, LLC

Dear Ms. Isler

12-30-05  
RT

Please find enclosed a check in the amount of \$2.00 to pay the difference in Late Payment Fee regarding the filing we submitted on Oct 22, 2005 on behalf of DG-TEC ("DG-TEC" or "the Company"). DG-TEC would like to propose a settlement for Docket No. 050787-TI.

Please acknowledge receipt of this filing by returning, file-stamped, the extra copy of this cover letter in the self addressed stamped envelope provided for that purpose.

DG-TEC wishes to keep the Certificate active and in compliance with Commission rules. The Company apologizes for the oversight in filing this document. They feel it may have been due to a misunderstanding by their accounting firm. The Company has taken steps to prevent further late payments of the regulatory assessment fees including transferring these responsibilities to our regulatory consulting firm.

The Company agrees to waive any objection to the administrative cancellation of its certificate should DG-TEC fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision of the settlement, Commission staff will bring the matter to the Commission for consideration.

DG-TEC respectfully proposes to pay \$100 (not enclosed) as a monetary settlement for the violation. This balance will be paid as per Commission instructions after the Commission Order is issued.

DG-TEC appreciates your consideration of this settlement offer, and, as always, please do not hesitate to contact Matthew Schulman at 305-468-1645 or via email at [reg@regnumgroup.com](mailto:reg@regnumgroup.com).

Sincerely,

Matthew Schulman  
Regulatory Consultant
