**Re: Request for Cancellation of CLEC Certificate No. 7591 by GTC
Telecom Corp. d/b/a Curbside Communications**

Dear Sir or Madam:

GTC Telecom Corp. ("GTC") hereby respectfully requests to cancel its CLEC Certificate No. 7591. This request is based upon GTC's determination that it is not economically feasible to continue to provide exchange access telephone service as an Alternative Local Exchange Carrier in the State of Florida.

Enclosed is a copy of GTC's notice of disconnection to end users within the State of Florida. The notice was sent via postcard on October 27, 2005. GTC currently has no local service customers within the State of Florida.

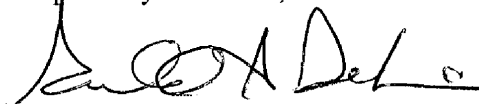

GTC stopped taking monies from its customers for any local service provided after October 31, 2005. If a customer was due a refund, GTC has refunded or will refund money to those customers. As stated above, GTC sent out notice via mail, and in addition attempted to contact all affected local customers by phone to advise that they must select a new local service provider. GTC also assisted customers in selecting a new service provider.

GTC will file the Competitive Local Exchange Company Regulatory Assessment Fee Return for the period 01/01/2005 to 12/31/2005 and pay the regulatory assessment fee by the due date of February 1, 2006.

Please acknowledge receipt by date-stamping the extra copy of this letter enclosed and returning it to me in the self-addressed, stamped envelope provided for that purpose.

If you have any questions or if I may provide you with any additional information, please feel free to contact me at (714) 549-7700.

Respectfully submitted,

Gerald A. DeCiccio
Chief Financial Officer
GTC Telecom Corp.

Enclosure

IMPORTANT NOTICE: LOCAL SERVICE CANCELLATION NOTICE 10/28/05

Dear GTC Telecom Local Service Customer,

Due to an issue with our underlying carrier, we have been notified that your Curbside Communications local service may be subject to disconnection on or after 10/28/05. This disconnection is NOT the result of any action by you, but solely due to an issue between us and our underlying carrier, BellSouth Telecommunications, Inc. While we will continue to support both Long Distance and Internet service, if applicable, we will no longer be able to provide you with local telephone services. We strongly encourage you to contact a new local carrier as soon as possible. Contact information and pricing for alternative carriers may be found in your local telephone directory or on the Internet. BellSouth may be reached at (888)-757-6500.

You do not need to contact GTC Telecom. Simply contact a new carrier and they will complete the switch for you. In addition to this postcard, we are attempting to contact all customers by phone. We most sincerely regret the sudden notification of the termination of your service; however, it will not be possible for us to continue offering you local services under our current circumstances. You may contact us at 800-486-4030 if you require additional information.

Thank you very much for your patronage.

Sincerely,
GTC Telecom Client Services
