Re: Docket No. 050880-WU, Petition for limited alternative rate increase in Lake County by Brendenwood Water System, Inc.

Dear Ms. Mollerup:

We have determined eligibility of Brendenwood Water System, Inc., (Brendenwood) for a limited alternative rate increase (LARI). We find that the utility is eligible for a LARI.

The staff engineer has determined the filing fee in this LARI is \$200. The fee is based on the capacity of the utility system as provided by Section 367.145(2) of the Florida Statutes. The filing fee must be received by February 20, 2006, which is the official filing date for this proceeding.

On November 17, 2005, Brendenwood filed its petition requesting authority to increase its rates for water service pursuant to Sections 367.0814 and 367.121, Florida Statutes, and Rules 25-30.457 and 25-30.458, Florida Administrative Code. In accordance with Rule 25-30.457, F.A.C., the petition must be accompanied by certain minimum filing requirements (MFRs) in support of the requested increase. We reviewed the utility's filing and by letter dated November 21, 2005, notified Brendenwood that its filing was deficient and listed the deficiencies. On December 21, 2005, the utility submitted the information and revised schedules identified in the November 21st deficiency letter.

We have reviewed the revised MFRs submitted on December 21, 2005, and have determined that the utility has met the minimum filing requirements imposed by Rule 25-30.457, F.A.C. Therefore, pursuant to Rule 25-30.457(5), F.A.C., the official date of filing is established
