RE: Docket No. 050896-TI; Florida Registration of Intrastate Interexchange Telecommunications Company (IXC)

On November 29, 2005, this Commission received contact information and a tariff from 3-Way Communications Corporation. Corrections to the tariff were necessary. On January 13, 2006, the company's consultant filed the requested revised tariff. Staff has determined that the documents received meet the requirements of Section 364.02(13), Florida Statutes.

3-Way Communications Corporation is now assigned TK041 as its IXC Registration Code for the state of Florida. As required by Section 2.07.C.5.h., Administrative Procedures Manual, 3-Way Communications Corporation has provided the required contact information and tariff to be acknowledged as a registered intrastate interexchange telecommunications company effective November 29, 2005.

Accordingly, with this Memorandum, Docket No. 050896-TI should be closed.
