RE: Interstate FiberNet, Inc. – Response to Order No. PSC-03-1469-FOF-TL

Dear Ms. Salak:

Interstate Fiber Network ("IFN") is a wholesale provider of telecommunication services. As such, IFN does not provide retail services to end user customers. In addition, IFN utilizes its own fiber network and therefore does not purchase switched access from local exchange companies. Based on the above, IFN does not have a flow-through obligation in conjunction with Docket No. 030961-TI, Order No. PSC-03-1461-FOF-TL and Florida Statute §364.163(2).
