Re: Docket 050586SU

Dear Troy,

Since requesting the ninety-day extension of the staff-assisted rate case November 9, 2005, I have had numerous health problems which have prevented me from proceeding with the rate case.

I am enclosing a check for \$1,000.00 in payment of the staff-assisted rate case fee.

I am requesting that the audit, the public meeting, and the engineering report for the staff-assisted rate case be postponed for an additional thirty days, in order to provide sufficient time to for the audit to be completed.

I appreciate your assistance in this matter.

Sincerely  
*Kenneth Knowlton*
