Dear Dr. Bane,

Staff requests to make a minor oral clarification to item 11 on tomorrow's agenda, re: Plantation Bay (DN 050281-WS):

On page 60, 2nd and 3rd sentences of first full paragraph should read:

See Order No. 10465, issued December 21, 1981, in Docket No. 800641-W, In re: Application of Keystone Water Company, Inc. for an increase in water rates to its customers in Clay County, Florida, in which the Commission used the average cost per ERC of prior approved rate case expense amounts to determine an allowable amount for the utility. On June 20, 1982, the First District Court of Appeal per curium affirmed the Commission's Order. [rest of sentence removed]

(The clarified language is underlined)

Thank you,
Rosanne Gervasi
