Re: Switched Access Charge Pass-Through; Order No. PSC 03-1469-FOF-TL

Dear Ms. Bayó:

By this letter, please be advised that RNK Inc. d/b/a RNK Telecom Inc. (IXC Code: TJ725, "RNK") hereby informs the Commission that since its intrastate access expenses have been reduced by less than \$100.00 per month,¹ it is not required to file tariff changes reflecting any flow-through of this reduction.

At this time, since nearly all of RNK's Florida interexchange traffic is terminated by other carriers, any switched access expenses would be built into the rates billed to RNK by its suppliers, and are consequently not billed directly to RNK.

If you have any questions regarding this filing, please contact me, or Douglas S. Denny-Brown, General Counsel/V.P. Regulatory Affairs of RNK at (781) 613-6148. Please date-time stamp the duplicate copy of this letter and return in the enclosed postage-paid envelope.

Sincerely,

Matthew T. Kinney
Sr. Regulatory Analyst
