Re: Progress Telecom LLC, Utility Number TJ639

Dear Ms. Bayó:

Progress Telecom, LLC ("Progress Telecom") responds to a letter from Beth Salak, dated January 13, 2006, regarding access charges set under PSC-03-1469-FOF-TL. Progress Telecom currently does not offer voice service to end users and primarily offers private line non-switched telecommunications services. As such, the reduction in access rates to interexchange carriers will not have an impact on Progress Telecom's current tariff rates for service.
