NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY ["Gulf Power", "Gulf", or "the Company"], by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby gives notice that it intends to request confidential classification for responses to requests numbered 1 and 2 of Commission Staff's First Request for Production of Documents (1-3). A copy of the responses is attached hereto as exhibit "A".

The information requested is entitled to confidential classification pursuant to Section 366.093(3)(d) and (e). The Company's response to the staff information request contains proprietary confidential business information regarding contractual matters which would cause irreparable harm to Gulf Power Company and the entities with whom it has entered into contracts if such information is disclosed to the general public. In addition, the response contains information relating to Gulf's competitive interests in fuel procurement markets which would cause irreparable harm to Gulf Power Company and the entity with whom it has contracted if such information is disclosed to the general public. Specifically, the responses provide contracts and bid documents related to the procurement of fuel and fuel transportation. The information for which confidential classification is sought is intended to be and is treated by Gulf Power Company and the entities with whom it has or intends to contract with as private. A formal request for confidential classification will be filed within the time period specified in Rule 25-

22.006(3)(a), Florida Administrative Code, if the Staff determines that the information will be retained by the Commission and not returned to the Companies within the specified time period. In the event the Staff determines that it will retain this document, the Company requests to be notified, through the undersigned counsel, prior to the expiration of the period specified in Rule 25-22.006(3)(a).

Respectfully submitted this 14th day of February, 2006
