Subject: BellSouth Petition for Waiver Docket No. 050922-TL

As per our discussion, BellSouth will be withdrawing the rule waiver/rulemaking petition filed on December 16, 2005 (Docket No. 050922-TL), and will be refiling a reformatted petition at the same time. Please let this e-mail serve as notice that until BellSouth can officially withdraw the petition and refile the new petition, BellSouth agrees to waive the statutory deadline for the existing petition.

If you have any questions or need any additional information, please let me know.
