

VOTE SHEET

February 28, 2006

Docket No. 050542-TX – Petition for designation as eligible telecommunications carrier (ETC) by Ganoco, Inc. d/b/a American Dial Tone.

**Issue 1:** Should American Dial Tone be granted ETC status in the State of Florida?

**Recommendation:** Staff recommends that American Dial Tone be granted ETC status in the Verizon and BellSouth non-rural wire centers identified in Attachment A of staff's February 16, 2006 memorandum. However, American Dial Tone should not be granted ETC status in Sprint's service area unless a UNE or equivalent agreement is consummated between American Dial Tone and Sprint, and American Dial Tone makes a showing to the Commission that granting it ETC status in Sprint's service area is in the public interest. American Dial Tone should be required, at the time of annual ETC recertification, to demonstrate how it has used the universal service funds within Florida. American Dial Tone should also be required to adhere to the new certification and reporting requirements as detailed in staff's analysis should it decide to seek universal service high cost funds.
