Re: North Fort Myers Utility, Inc.; Wastewater Service Agreement - River Bend - Duplex
Our File No. 16319.29

Dear Ms. Bayo:

Pursuant to 25-30.550, Florida Administrative Code, enclosed is a copy of a Wastewater Agreement entered into between North Fort Myers Utility, Inc., and Mediterranean Golf Villas, LLC, a Florida limited liability company, to provide wastewater service to River Bend - Duplex. North Fort Myers Utility, Inc.'s wastewater treatment plant has a permitted capacity of 3.5 mgd. The current treatment plant connected load is approximately 1.2 million gpd and this Wastewater Agreement is for 5,500 gpd. There is sufficient capacity in NFMU's existing plant to provide wastewater service pursuant to this Wastewater Agreement. This Wastewater Agreement will have no noticeable impact on the Utility's rates due to the amount of demand being placed on the NFMU wastewater system, and resultant revenues.

In accordance with the aforementioned Rule, we will deem this Agreement approved if we do not receive notice from the Commission of its intent to disapprove within thirty days. Should you have any questions regarding this Agreement, please do not hesitate to contact me.

Very truly yours,

MARTIN S. FRIEDMAN
