Re: Docket Nos. 010492-WS and 030682-WS
February, 2006 Status Report Regarding Zellwood Station Cooperative Transfer
to Orange County

Dear Ms. Brubaker:

Pursuant to our prior commitment with the Florida Public Service Commission, I am providing to you and all other parties to this proceeding our status report of activities concerning the transfer of the water and sewer plants from Zellwood Station Cooperative to Orange County for the month of February, 2006.

As mentioned in our January 6, 2006 status report, all negotiations were completed on the transaction documents for the sale of the Zellwood system and wholesale supply transaction with the City of Apopka. The closing, originally set for November 30, 2005, was temporarily delayed while Orange County and the City of Apopka worked out an unrelated land use matter. Based on the last information we received from the City of Apopka, we are still anticipating the County will be ready to close by the end of March of 2006.

If you, or anyone else has any questions, comments or concerns whatsoever regarding this or any other issue related to this transaction, please don't hesitate to contact us. Copies of any documents referred to in this letter are available upon request.

Very truly yours,

Thomas A. Cloud, Esquire
