Raquel, please deposit the check (all \$100) in the PSC Trust Fund and provide Records a copy as soon as possible for documentation in Docket 050744.

Hong, I just checked MCD and the registration has not been inactivated yet. Based on this and the fact that they paid the \$100 settlement, please do not cancel the IXC registration. Thanks

Paula, I just checked CMS and we still have not received the required payments from the company in Dockets 050675 and 050744. I thought I check with you to make sure that you don't have anything before we close the dockets and cancel their certificate/registration.

Also, just FYI, I've close Dockets 050620, 050621, 050628, 050701 and 050706. Their certificates/registrations will remain active because the companies have made the required payments.

Raquel, I am copying you on this just in case you have gotten something from the company for Dockets 050675 and 050744 (Movie, Television, & Graphics Corp. d/b/a M.T.G., TJ826 and TG870).

Thanks!
