I will change the list of utilities to include the new CLEC based on your request below. Should the title also be changed?

Dorothy, BST indicated the incorrect CLEC name in the transmittal letter, but goes on to say the certificate for NewSouth was transferred to NuVox. In addition, the amendment and signature pages indicate NuVox.

Can you please change the list of utilities to include the "new" CLEC as it now appears in MCD - NuVox Communications, Inc. - TX824.

Robyn, F Y I, in the future please use the new company name. Also, if the negotiator hasn't filed a name change amendment for the underlying agreement, it may be a good idea to do so at his/her earliest convenience.
