Re: Docket Nos. 030137-TP, *Petition for arbitration of unresolved issues in negotiation of interconnection agreement with BellSouth Telecommunications, Inc. by ITC^DeltaCom Communications, Inc., d/b/a ITC^DeltaCom* and 041269-TP, *In re Petition to Establish Generic Docket to Consider Amendments to Interconnection Agreements Resulting from Changes of Law*

Dear Mr. Teitzman:

On behalf of ITC Delta^Com Communications, Inc. ("ITC Delta^Com"), we wish to notify the Commission that ITC Delta^Com and BellSouth Telecommunications, Inc. ("BellSouth") have agreed to submit a single, consolidated revision to their interconnection agreement that is compliant with the substantive determinations made in both of the above-referenced dockets. The consolidated document will be filed in accordance with the submission deadline in Docket No. 030137-TP.

The parties believe that the submission of a single set of revisions will be the most efficient use of their, as well as the Commission's, resources and that this course of action is consistent with the discussions that the parties have had with Staff concerning the timeline for comprehensively resolving pending issues in Docket No. 030137-TP.

I am authorized to state that BellSouth concurs in this transmittal. Please contact me or David Adelman at (404) 853-8206 if there are any questions.

Sincerely yours,

Frank D. LoMonte
