RE: Plantation Bay Utility Company Extension of Service Area

We are in receipt of "Notice of Application for Extension of Service Area by Plantation Bay Utility Company in Flagler County, Florida" to include The Reserve PUD (87.4 ± acres) and Dixie Commons (9.511± acres). This action comports with local government development approvals for both parcels. It is consistent with the Flagler County Comprehensive Plan and the Plantation Bay DRI Development Order. The rights of Flagler County to acquire this system set forth in the Development Order are deemed to apply to the expanded area.

We encourage the Commission's favorable consideration of this application.

Sincerely,

Walter Fufidio
