

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Petition for issuance of a storm recovery financing order, by Florida Power & Light Company.

DOCKET NO. 060038-EI  
ORDER NO. PSC-06-0241-PCO-EI  
ISSUED: March 22, 2006

ORDER GRANTING MOTION FOR TEMPORARY PROTECTIVE ORDER

On February 13, 2006, Florida Power & Light Company (FPL) filed a Motion for Temporary Protective Order, pursuant to Rule 25-22.006(6), Florida Administrative Code, covering certain documents sought in discovery by the Office of Public Counsel (OPC). FPL states that it has been authorized by counsel for OPC to represent that OPC does not object to the motion.

FPL states OPC has requested that it be permitted to take possession of FPL's responses to OPC's Third Request for Production of Documents. FPL contends that the document responsive to Documents Request No. 51 contains confidential information relating to reports of FPL's internal auditors, and/or workpapers or documents related to reports of FPL's internal auditors, the disclosure of which could harm FPL's ability to contract on favorable terms in the future, to the detriment of FPL and its customers. FPL asserts that it is seeking protection of the documents as provided in Section 366.093(3), Florida Statutes, and Rule 25-22.006(6), Florida Administrative Code.

Rule 25-22.006(6), Florida Administrative Code, codifies the Commission's policy protecting confidential information from public disclosure during the discovery process in a manner that is not overly burdensome to parties. Rule 25-22.006(6)(a), Florida Administrative Code, in pertinent part, states that ". . . any utility or other person may request a protective order protecting proprietary confidential business information from discovery." Additionally, Rule 25-22.006(6)(c), Florida Administrative Code, states:

When a utility or other person agrees to allow Public Counsel to inspect or take possession of utility information for the purpose of determining what information is to be used in a proceeding before the Commission, the utility may request a temporary protective order exempting the information from section 119.07(1), Florida Statutes.

Upon consideration, FPL's Motion for Temporary Protective Order for documents responsive to OPC's Third Request for Production of Documents, No. 51 is granted. Accordingly, this information will be protected from disclosure pursuant to Rule 25-22.006(6), Florida Administrative Code.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
