On March 6, 2006, FPL and Roderick Thompson signed a settlement agreement resolving the above-referenced complaint. Section 2.07(C)(2)(d)4 of the Administrative Procedures Manual states that:

The Division of the Commission Clerk and Administrative Services may administratively close dockets as described below upon the joint recommendation of the OPR division and the Office of the General Counsel.

(4) Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken.
