Great. As soon as it is received, I will open a docket to grant the company a voluntary cancellation with an effective date of December 31, 2005. That way, the company will not owe the 2006 fee. Thanks.

Dear Mr. Drake:

The Commission received the company's 2005 Regulatory Assessment Fee return form with a letter asking us to remove the company from our records and stated that the company was not "an active concern."
However, the minimum \$50 fee was not included plus none of the revenue information was completed.

Before I can recommend a voluntary cancellation, a company must not have any outstanding Regulatory Assessment Fees. Please let me know by Monday, February 6, 2005, the company's intention regarding payment of the 2005 Regulatory Assessment Fee. Thanks.
