**Subject:** Docket Nos. 050542-TX & 050889-TX - verbal clarification pertaining to American Dial Tone and Nexus ETC recommendations

Staff would like to request approval to make a verbal modification to two recommendations scheduled for the April 4, 2006 agenda. The phrase "Proposed Agency Action" was inadvertently left off the front cover of the recommendations for Docket Numbers 050542-TX (American Dial Tone) and 050889-TX (Nexus).

At the end of the intro for each docket, staff would like to say: "Staff notes that this recommendation is a Proposed Agency Action."
