RE: Docket No. ~~050954-TX~~

Dear Ms. Bayó:

This letter contains an offer of settlement for Docket No. 050954-TX Notice of Proposed Agency Action Order Imposing Penalty for Apparent Violation of Section 364.183(1), Florida Statutes. Yipes Enterprise Services, Inc. ("Yipes") respectfully proposes a settlement of \$1,000.00 for our failure to file a response to the annual local competition report (the "Report"). We do not have a record of having received the request to file the Report, however the Florida Public Service Commission did provide me with a copy of one confirmation of delivery by certified mail. I understand that it is standard practice for the Florida Public Service Commission to make two requests, however no record of the second request could be provided by the Commission.

A \$1,000.00 fine is a significant penalty for our company. We do not provide voice services in Florida and were not aware that we failed to file a response to the request. Yipes is now fully apprised of the requirement to file the annual Report and its importance to the Florida Public Service Commission. Yipes has taken steps to ensure that we file it timely, each year. It is on two separate internal regulatory calendars, with automatic reminders.
