for apparent violation of Sections 364.02 and 364.04, Florida Statutes.

CLOSURE OF DOCKET

In Order No. PSC-05-0825-PAA-TI, issued August 16, 2005, the Commission approved the settlement offer tendered by 9278 Communications, Inc. (9278) and ordered that Docket No. 030696-TI shall be closed administratively upon receipt of the final payment and confirmation of compliance with its settlement offer. Consummating Order No. PSC-05-0904-CO-TI, issued September 14, 2005, made Order No. PSC-05-0825-PAA-TI effective and final.

One of the agreements in 9278's settlement offer was for the company to register as an interexchange company (IXC) and file a tariff. Since the Consummating Order was issued, 9278 decided not to provide intrastate interexchange telephone service in Florida, and therefore, registration as an IXC and filing a tariff is not necessary. However, the company was assigned Registration No. TK034 only for the purpose of recording the payment of its voluntary contribution and Regulatory Assessment Fees pursuant to its settlement offer. Notwithstanding, the company complied with all of its other agreements in its settlement offer. Accordingly, TK034 should be removed from the IXC register and this docket should be closed administratively.
