RE: Cancellation of MCI Network Services IXC Tariff and
Registration No. T-I731

Dear Ms. Isler:

In response to you e-mail dated 3/6/06, attached is a completed 2006 Regulatory Assessment Fee Form and a check totaling \$50.00 for the minimum payment amount. It is my understanding that upon receipt you will go forward with the cancellation of MCI Network Services, Inc.'s interexchange tariff and registration.

Also, while reviewing the Florida file, I noted that MCI Network Services, Inc. also holds an AAV certificate (No. 3996). This certificate also needs to be cancelled. MCINS has not utilized its AAV certificate therefore there are no customers.

Please contact me at 601-460-8968 or via e-mail at leigh.ann.cox@verizonbusiness.com if you should have any questions or if additional information is required.

Sincerely,

Leigh Ann Cox
