Re: Docket Nos. 010492-WS and 030682-WS  
March, 2006 Status Report Regarding Zellwood Station Cooperative Transfer to  
Orange County

Dear Ms. Brubaker:

Pursuant to our prior commitment with the Florida Public Service Commission, I am providing to you and all other parties to this docket our status report of activities concerning the transfer of the water and sewer plants from Zellwood Station Cooperative to Orange County for the month of March, 2006.

As mentioned in our last status report, all negotiations were completed on the transaction documents for the sale of the Zellwood system and wholesale supply transaction with the City of Apopka. Both Orange County and the City of Apopka have now formally approved the transaction and we are told that a closing is anticipated by the middle of April of 2006. With the City and County approvals completed, Zellwood Station Co-Op, Inc. is now working with Zellwood Station Community Association, Orange County and Apopka to prepare for the mid-April closing date.

If you, or anyone else has any questions, comments or concerns whatsoever regarding this or any other issue related to this transaction, please don't hesitate to contact us. Copies of any documents referred to in this letter are available upon request.

Very truly yours,

Thomas A. Cloud, Esquire
