**RE: DN 060164-TP: Petition for Slamming Rule Waiver
Access Integrated Networks, Inc. and Trinsic Communications, Inc.**

Dear Ms. Bayo:

Attached please find the original and three (3) copies of supplemental information requested by staff in the above-referenced docket regarding the transfer of certain customers.

Handling of Commission Inquiries for former Trinsic customers.

If a former Trinsic customer were to file an inquiry after the transfer, the Commission staff should contact Sharyl Fowler at AIN as the current carrier, preferably with a copy to Trinsic. Ms. Fowler would then work with Ms. Suzette Walker and Ms. Janett Smith who are the Trinsic personnel responsible for regulatory inquiries, to resolve the issue if it involves the period prior to the customer's being transferred. Ms. Fowler will handle coordination and response with the Commission staff. Ms. Fowler, Ms. Walker and Ms. Smith have established the process they plan to use to handle such occurrences. Because these are the sole personnel involved, and because they have jointly established the procedure, both companies believe that customers' concerns will be promptly and thoroughly resolved, with no issues as to who is responsible.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose. Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or via e-mail at rnorton@tminc.com.

Sincerely,

Robin Norton
