April 4, 2006

Docket No. 050542-TX – Petition for designation as eligible telecommunications carrier (ETC) by Ganoco, Inc. d/b/a American Dial Tone. (Deferred from February 28, 2006 conference; revised recommendation filed.)

**Issue 1:** Should American Dial Tone be granted ETC status in the State of Florida?

**Recommendation:** Staff recommends that American Dial Tone be granted ETC status in the Verizon and BellSouth non-rural wire centers identified in Attachment A of staff's March 23, 2006 memorandum. However, American Dial Tone should not be granted ETC status in Sprint's service area unless a UNE or equivalent commercial facilities agreement is consummated between American Dial Tone and Sprint, and American Dial Tone makes a showing to the Commission that granting it ETC status in Sprint's service area rural wire centers is in the public interest. Should American Dial Tone decide to seek universal service high cost funds, it should be required, at the time of annual ETC recertification, to demonstrate how it has used the universal service funds within Florida, and be required to adhere to the new certification and reporting requirements as detailed in the analysis section of staff's memorandum. American Dial Tone should be required, at the time of annual ETC recertification, to demonstrate how it has used the universal service funds within Florida. American Dial Tone should also be required to adhere to the new certification and reporting requirements as detailed in staff's analysis should it decide to seek universal service high cost funds.
