FROM: Division of Regulatory Compliance and Consumer Affairs (Freeman, Vandiver)
RE: Docket 060001-EI, Return Document 05637-04 to FPL

Filed on May 17, 2004, and amended on August 9, 2004, FPL requested a confidential classification for portions of the utility's response to staff's 2003 fuel cost recovery audit.

On September 3, 2004, the Commission issued Order No. PSC-04-0866-CFO-EI granting FPL's request, as amended, for 18 months of confidential classification.

On March 3, 2006, FPL requested that the confidential classification period granted by Order PSC-04-0866-CFO-EI be extended for an additional 18 month period.

As part of the request for extension of confidential classification, the utility requested that Commission Documents Nos. 05636-04, Exhibit B, and 05367-04 be returned to FPL as these documents are superseded by Documents Nos. 01889-06 and 01888-06, respectively.

Document No. 05636-04, Exhibit B, is a public record in the Commission's files in explanation of FPL's 2004 request and may not be returned. Document No. 05637-04 is a confidential document filed by the utility in support of its request for confidential classification which is replaced by confidential document 01888-06; therefore, document No. 05637-04 may be returned to FPL as requested.

Please return document 05637-04 to FPL.
