Staff requests permission to make an oral modification to its recommendation for Docket No. 030458-WU, which the Commission will address as Item 13 at the April 18, 2006, Agenda Conference. Staff would like to modify the recommendation statement and staff analysis in Issue 3, as shown below in legislative format:

For informational purposes, A a composite territory description which reflects the deleted territory is appended to this recommendation as Attachment C. ~~should be approved.~~ (Rieger, Fleming, Brubaker)

The change should also be reflected in the last sentence of paragraph 3 in the Staff Analysis, as follows:
