4-10-06 placed cy in 060000 per CCA/Flynn

They are registered in FL with the "a Minnesota Corporation, Inc." cross reference because there is a different corporation with that name "Business Productivity Solutions, Inc." doing business in FL.

No name change is required. They just made a note that they consider themselves to operate as "Business Productivity Solutions, Inc." in other states outside of Florida and can receive mail with that name.
