RE: Request to close new dockets and transfer filings to existing dockets

On April 3, 2006, FPL, Gulf, PEF, and TECO filed petitions to approve their revised renewable energy standard offer contracts. TECO properly filed in an existing docket, Docket No. 050810-EQ, that we held open to address the revised petitions. FPL, Gulf, and PEF did not file in their existing dockets; as a result, their filings were given new docket numbers in error. Please move their filings in the new dockets to the existing dockets as shown below, and close the new dockets.

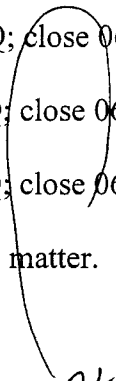

Gulf - move filings from 060309-EQ to 050805-EQ; close 060309-EQ

PEF - move filings from 060310-EQ to 050807-EQ; close 060310-EQ

FPL - move filings from 060314-EQ to 050806-EQ; close 060314-EQ

Thank you in advance for your assistance with this matter. Please call me at 413-6684 if you have any questions.
