Dear Chairman Edgar:

Dixie Groves Utility Company (Dixie Groves or Utility) and the Office of Public Counsel (OPC) have agreed to remove Issue 13 and all references to approval of the pro forma plant additions and the Phase II rate increase from Item 10 on the Commission's April 18, 2006 Agenda Conference. Dixie Groves and OPC intend to work together to study the Utility's distribution problem and attempt to arrive at a mutually agreeable solution that will be effective and yet be accomplished with the least possible cost.

Dixie Groves and OPC have agreed to support Staff's recommendation with regard to the Phase I rate increase, except for the repression adjustment. The Utility does not seek this additional repression increase to the Phase I rates and agrees with OPC that the repression adjustment should be removed from the Phase I rates to be borne by its ratepayers.

Sincerely,

Gary Deremer, President
