Dorothy, I've clarified this agreement with ALLTEL and they have indicated it is a wireless interconnection adoption. Please change the docket title for the above agreement to indicate it is an "adoption of the existing wireless interconnection" agreement on file. I'm going to prepare my close memo this way.

Dorothy, I believe the docket title on this will need to change, but I'm waiting for confirmation. I think this should be a CMRS interconnection or wireless interconnection agreement rather than a simple interconnection agreement. I will let you know once I have confirmation.
