Docket No. 060292-TL – Review of tariff filing (T-060052) by Verizon Florida Inc. to establish permanent promotional offering.

Issue 1: What action, if any, should the Commission take with respect to Verizon’s permanent promotional tariff offering (T-060052)?

Recommendation: Staff recommends that Verizon’s permanent promotional tariff offering (T-060052) be allowed to remain in effect, subject to two requirements. First, Verizon should be required to provide staff with one-day, advance written notice of each promotional offer made during 2006. Second, Verizon should be required to provide semi-annual tracking reports during 2006, by individual promotion and in total, showing the number of offers made, the number of offers accepted, and the average dollar benefit provided to customers. Tracking reports should be due on July 31, 2006 and January 31, 2007.
