Subject: DN 060069-TP - BellSouth/SBC Long Distance - Adoption of BST/GulfPines

Dorothy,

The above agreement is styled as an IURC in CMS but should be shown as an adoption (submodule d) and the docket title should be revised to: "Request for approval of adoption of existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and GulfPines Communications, LLC by SBC Long Distance, LLC d/b/a SBC Long Distance."

The transmittal letter didn't accurately reflect the nature of the filing.

In addition to the change in the docket title and submodule, this agreement should be withdrawn since GulfPines is not certificated by the Commission. I've contacted BST regarding this and am sending this to them via cc.
