Dorothy, I'm not sure I fully understand the CCA note related to the CLEC names in CMS. At any rate, both CLEC names, as they appear on the title and signature pages of the adoption, are correct. (It appears the docket title correctly lists the company names.

Can you please change the docket title to remove the reference to "with modifications". This appears to be a pure adoption without modifications or amendments. I am also going to file a CASR revision to remove the "statutory deadline" event and date.
