

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Petition for approval of revisions to contribution-in-aid-of-construction definition in Section 12.1 of First Revised Tariff Sheet No. 6.300, by Florida Power & Light Company.

DOCKET NO. 060150-EI
ORDER NO. PSC-06-0366-PCO-EI
ISSUED: May 1, 2006

ORDER GRANTING INTERVENTION

By petition filed March 17, 2006, the Town of Jupiter Island, Florida (Jupiter Island), has requested permission to intervene in this proceeding. Florida Power & Light Company (FPL) has responded that it does not object to Jupiter Island's participation as a party in this docket. Jupiter Island states that it is a substantial customer of FPL, and that it owns and operates municipal facilities and lighting equipment for which it purchases electric services from FPL. Further, Jupiter Island states that it has ongoing interests in converting the existing overhead electric distribution lines in Jupiter Island to underground service, a transaction that is governed in part by the subject Tariff Sheet No. 6.300 that FPL proposes to amend in this docket. Jupiter Island states that accordingly, it has direct and substantial interests in this Commission's decisions regarding proposed amendments to that tariff, and is therefore entitled to intervene in this docket to protect its interests.

Because it appears that Jupiter Island has a substantial interest in the proceeding, its petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, Jupiter Island takes the case as it finds it.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the petition to intervene filed by Town of Jupiter Island, Florida, is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings, and other documents which may hereinafter be filed in this proceeding to:

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural, or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas, or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code.
